Copies

You'll need to submit copies of:

- your planning application form
- the decision letter from the local planning authority, if you have one
- all plans, drawings and documents you sent to the local planning authority in your application
- the site plan for your appeal site
- the ownership certificate document, if you submitted one separately as part of your application

If you're requesting a hearing or public inquiry

If you're requesting a hearing or public inquiry

You also need to [create a draft statement of common ground](https://www.gov.uk/government/publications/statement-of-common-ground). This is a document explaining the parts of your planning application that you believe the local planning department will not disagree with.

Preparing your documents

Preparing your documents

You can submit the documents as any of these file types, as long as they're smaller than 15MB:

- DOC or DOCX
- JPG or JPEG
- PDF
- PNG
- TIF or TIFF

Make sure all documents are fully readable without any redacted text.

If someone else owns land or property that's involved in your appeal

If someone else owns land or property that's involved in your appeal

You must tell them that you intend to appeal.

Example 1:

Your appeal is about building a house on a field you own. You do not have to tell anybody else, because you own the whole field.

Example 2:

Your appeal is about a decision that applies to a whole estate of houses. To appeal that decision, you'd have to tell other homeowners on the estate.

If you know who the owners are

If you know who the owners are

[Complete the form in annexe 2A or 2B of the planning appeals guidance](https://www.gov.uk/government/publications/planning-appeals-how-to-complete-your-appeal-form) and send it to them to tell them you're appealing.

If you do not know who the owners are

If you do not know who the owners are

You must try to find them.

To do this, you can:

- [search the land registry](https://www.gov.uk/search-property-information-land-registry)
- put up a site notice at the appeal site, asking them to contact you

To make a site notice, [complete the form in annexe 2A or 2B of the planning appeals guidance](https://www.gov.uk/government/publications/planning-appeals-how-to-complete-your-appeal-form) and use it as the notice.

If you cannot find the owners

If you cannot find the owners

You must advertise your appeal, for example in a local newspaper.

[Complete the form in annexe 2A or 2B of the planning appeals guidance](https://www.gov.uk/government/publications/planning-appeals-how-to-complete-your-appeal-form) and use it as the advertisement.

Deadline for appealing

If you disagree with a decision, you must appeal within 12 weeks of the date on the decision notice from your local planning authority.

The deadline's earlier if you've received an [enforcement notice](/appeal-enforcement-notice). You must appeal within 28 days of the notice.

When you can expect a decision

You'll get a decision once your appeal is [validated](/appeal-householder-planning-decision/after-you-appeal).

extending a house that you own as a leasehold. You'd need to tell the freeholder about your appeal.

If you know who the owners are

Complete the form in annexe 2A or 2B of the planning appeals guidance and send it to them to tell them you're appealing.

If you do not know who the owners are

You must try to find them.

To do this, you can:

- search the land registry
- put up a site notice at the appeal site, asking them to contact you

To make a site notice,

complete the form in annexe 2A or 2B of the planning appeals guidance and use it as the notice.

If you cannot find the owners

You must advertise your appeal, for example in a local newspaper.

Complete the form in annexe 2A or 2B of the planning appeals guidance and use it as the advertisement.

Documents you must provide

You'll need to submit:

- a copy of your enforcement notice
- a plan (if there is one)
- any other documents that directly support your appeal, for example your grounds for appeal
- your appeal, if you're appealing by post

You can upload these documents when you appeal online or post them to the Planning Inspectorate.

Nationally Significant Infrastructure Projects regime: operational review

Minister of State for Housing Christopher Pincher MP launched an operational review of the NSIP regime as part of a speech at the National Infrastructure Planning Association (NIPA) summer conference on 7 July 2021.

The operational review forms part of the National Infrastructure Planning Reform Programme. In advance of his speech, Minister Pincher wrote a letter to NIPA members introducing the reform programme and setting out how important it will be for all those who use or interact with the NSIP regime to work together to make the operational review a success.

See the [Annex to the Minister's letter](https://www.gov.uk/government/publications/nationally-significant-infrastructure-projects-regime-operational-review) for further details of the National Infrastructure Planning Reform Programme and a road map of reforms.

<p>As a result of the Coronavirus (COVID-19) pandemic, we are running a reduced service.</p>

<p>Please contact the Planning Inspectorate by using our [customer contact form](https://contact-us.planninginspectorate.gov.uk/hc/en-gb/requests/new), by email at feedback@planninginspectorate.gov.uk or by telephone on 0303 444 5884.

Our complaints line is open between 09:00 and 12:00, Monday to Friday (closed on weekends and public holidays).</p>

<p>Please be aware that we are taking up to 40 working days to answer complaints. If a complaint is more complex or relevant persons are unavailable for comment, we may take longer to respond.</p>

<p>If you are making a legal challenge in the High Court, do not wait for our response. Our complaints procedure is separate from the process and timescales for filing legal challenges with the Courts.</p>

<p>The Planning Inspectorate treats all complaints seriously. Our aim is to provide a clear and full response, first time.</p>

<h2 id="what-our-complaints-procedure-covers">What our complaints procedure covers</h2>

The standard of service we provide
The conduct of our staff
Any action or lack of action by staff affecting an individual or group
Circumstances where you think our staff have not properly followed Government planning policy or guidance, relevant legislation and our procedural guidance.

<h2 id="what-our-complaints-procedure-does-not-cover">What our complaints procedure does not cover</h2>

Reconsidering the merits of a case, the decisions or recommendations of Inspectors or Examining Authorities or the evidence taken into account
Adding to decisions or recommendations
The actions of Councils, Government departments or other parties
Government policy
Complaint matters that have already been fully answered by us

<p>Decisions by Inspectors (or decisions based on the recommendations of Inspectors) are final unless successfully challenged in the High Court on a point of law. Only the Courts can legally review decisions or recommendations by Inspectors and identify an error in law.</p>

<p>The Planning Inspectorate can only reconsider a case if the High Court decides to cancel the decision and returns the case to the Planning Inspectorate for it to be decided again.</p>

<p>We can only correct minor typographical mistakes in specific types of decisions on request. Information is given in our published document, Planning appeals: procedural guide.</p>

<h2 id="service-standards">Service standards</h2>

<p>Please read our Customer Charter for information about our service standards.</p>

<h2 id="how-we-use-your-information">How we use your information</h2>

<p>The Planning Inspectorate takes its data protection responsibilities for the information you provide us with very seriously. To find out more about how we use and manage your personal data, please go to our privacy notice.</p>

<p>Complaints should be made as soon as the reason becomes apparent. We will not answer complaints made more than one year after a decision or recommendation.</p>

<p>Complaints should be made in full at the start, providing as much detail as possible. You can send complaints to us using our contact form, by email or telephone.</p>

<p>Customer contact form</p>

<p>Email: feedback@planninginspectorate.gov.uk</p>

<p>Telephone: 0303 444 5884</p>

<p>Contact the relevant support staff at the Planning Inspectorate for any questions or concerns you have about a case that has not yet concluded. Most issues can be answered by the support staff responsible for administering the case. If you are unsure about who to contact, please ask our customer team on 0303 444 5000.</p>

<p>The Programme Officer should be contacted for any questions or concerns you have about an examination of a Local Plan that has not yet concluded. Contact details can be found on the relevant Local Planning Authority's website for the examination.</p>

<p>The Customer Team will answer any unresolved issues, concerns about staff conduct or any complaint made after a decision or recommendation.</p>

<p>As part of investigating complaints, Customer Team Officers may check facts against relevant guidance or case documentation. Inspectors or support staff may be asked for their comments. In a few cases, parties outside our organisation (such as a Local Authority) may also be contacted for their general observations on what occurred.</p>

<p>Complaints may also be referred to a senior manager with specialist casework knowledge for review, to help the Customer Team reach an

independent view on whether to uphold the complaint or not. However, the reply will come from the Customer Team Officer.</p>

<h3 id="stage-2">Stage 2</h3>

<p>If a complainant considers that the reply from the Customer Team Officer has not adequately responded to their concerns, a Customer Team Manager will review the complaint and how it was handled and provide a final reply.</p>

<h2 id="remedy-and-redress">Remedy and redress</h2>

<p>For any acknowledged errors, we will write to the complainant explaining what has happened. The responsible staff and their line manager will be informed of the outcome as part of performance management. We will also look to see if lessons can be learned to prevent similar mistakes from happening again.</p>

<p>Where we uphold complaints, our remedies include:</p>

- an apology, explanation and acknowledgement of responsibility
- remedial action, such as reviewing or changing our service standards; revising published material; revising procedures or guidance; training or supervising staff; or any combination of these.

<p>In most cases, an explanation and an apology will be an appropriate response.</p>

<p>In exceptional circumstances, we may provide compensation for additional costs incurred as a direct result of an acknowledged error by us, where valid claims are made. Financial compensation is a final option and will only apply in cases where the loss or suffering is considered to warrant such a payment. Information is given in our published document, Planning Inspectorate: claims for repayment of additional costs (ex gratia scheme)</p>

feedback@planninginspectorate.gov.uk or by telephone on 0303 444 5884. Our complaints line is open between 09:00 and 12:00, Monday to Friday (closed on weekends and public holidays). Please be aware that we are taking up to 40 working days to answer complaints. If a complaint is more complex or relevant persons are unavailable for comment, we may take longer to respond. If you are making a legal challenge in the High Court, do not wait for our response. Our complaints procedure is separate from the process and timescales for filing legal challenges with the Courts. The Planning Inspectorate treats all complaints seriously. Our aim is to provide a clear and full response, first time.

[What our complaints procedure covers](#)

The standard of service we provide

The conduct of our staff

Any action or lack of action by staff affecting an individual or group

Circumstances where you think our staff have not properly followed Government planning policy or guidance, relevant legislation and our procedural guidance.

[What our complaints procedure does not cover](#)

What our complaints procedure does not cover

Reconsidering the merits of a case, the decisions or recommendations of Inspectors or Examining Authorities or the evidence taken into account

Adding to decisions or recommendations

The actions of Councils, Government departments or other parties

Government policy

Complaint matters that have already been fully answered by us

Decisions by Inspectors (or decisions based on the recommendations of Inspectors) are final unless successfully challenged in the High Court on a point of law. Only the Courts can legally review decisions or recommendations by Inspectors and identify an error in law.

The Planning Inspectorate can only reconsider a case if the High Court decides to cancel the decision and returns the case to the Planning Inspectorate for it to be decided again.

We can only correct minor typographical mistakes in specific types of decisions on request. Information is given in our published document, [Service standards](#)

[Please read our Customer Charter](#) for information about our service standards.

[How we use your information](#)

The Planning Inspectorate takes its data protection responsibilities for the information you provide us with very seriously. To find out more about how we use and manage your personal data, please go to our [privacy notice](#)

[How to complain](#)

Complaints should be made as soon as the reason becomes apparent. We will not answer complaints made more than one year after a decision or recommendation.

Complaints should be made in full at the start, providing as much detail as possible. You can send complaints to us using our contact form, by email or telephone.

Before making a complaint

Contact the relevant support staff at the Planning Inspectorate for any questions or concerns you have about a case that has not yet concluded. Most issues can be answered by the support staff responsible for administering the case. If you are unsure about who to contact, please ask our customer team on 0303 444 5000.

The Programme Officer should be contacted for any questions or concerns you have about an examination of a Local Plan that has not yet concluded. Contact details can be found on the relevant Local Planning Authority's website for the examination.

Stages of the complaints procedure

Stage 1

The Customer Team will answer any unresolved issues, concerns about staff conduct or any complaint made after a decision or recommendation.

As part of investigating complaints, Customer Team Officers may check facts against relevant guidance or case documentation. Inspectors or support staff may be asked for their comments. In a few cases, parties outside our organisation (such as a Local Authority) may also be contacted for their general observations on what occurred.

Complaints may also be referred to a senior manager with specialist casework knowledge for review, to help the Customer Team reach an independent view on whether to uphold the complaint or not. However, the reply will come from the Customer Team Officer.

Stage 2

If a complainant considers that the reply from the Customer Team Officer has not adequately responded to their concerns, a Customer Team Manager will review the complaint and how it was handled and provide a final reply.

Remedy and redress

For any acknowledged errors, we will write to the complainant explaining what has happened. The responsible staff and their line manager will be informed of the outcome as part of performance management. We will also look to see if lessons can be learned to prevent similar mistakes from happening again.

Where we uphold complaints, our remedies include:

- an apology, explanation and acknowledgement of responsibility
- remedial action, such as reviewing or changing our service standards; revising published material; revising procedures or guidance; training or supervising staff; or any combination of these.

In most cases, an explanation and an apology will be an appropriate response.

In exceptional circumstances, we may provide compensation for additional costs incurred as a direct result of an acknowledged error by us, where valid claims are made. Financial compensation is a final option and will only apply in cases where the loss or suffering is considered to warrant such a payment. Information is given in our published document,

<p>As a result of the Coronavirus (COVID-19) pandemic, we are running a reduced service.</p>

<p>Please contact the Planning Inspectorate by using our customer contact form, by email at feedback@planninginspectorate.gov.uk or by telephone on 0303 444 5884.

Our complaints line is open between 09:00 and 12:00, Monday to Friday (closed on weekends and public holidays).</p>

<p>Please be aware that we are taking up to 40 working days to answer complaints. If a complaint is more complex or relevant persons are unavailable for comment, we may take longer to respond.</p>

<p>If you are making a legal challenge in the High Court, do not wait for our response. Our complaints procedure is separate from the process and timescales for filing legal challenges with the Courts.</p>

<p>The Planning Inspectorate treats all complaints seriously. Our aim is to provide a clear and full response, first time.</p>

<h2 id="what-our-complaints-procedure-covers">What our complaints procedure covers</h2>

- The standard of service we provide
- The conduct of our staff
- Any action or lack of action by staff affecting an individual or group
- Circumstances where you think our staff have not properly followed Government planning policy or guidance, relevant legislation and our procedural guidance.

<h2 id="what-our-complaints-procedure-does-not-cover">What our complaints procedure does not cover</h2>

- Reconsidering the merits of a case, the decisions or recommendations of Inspectors or Examining Authorities or the evidence taken into account
- Adding to decisions or recommendations
- The actions of Councils, Government departments or other parties
- Government policy
- Complaint matters that have already been fully answered by us

<p>Decisions by Inspectors (or decisions based on the recommendations of Inspectors) are final unless successfully challenged in the High Court on a point of law. Only the Courts can legally review decisions or recommendations by Inspectors and identify an error in law.</p>

<p>The Planning Inspectorate can only reconsider a case if the High Court decides to cancel the decision and returns the case to the Planning Inspectorate for it to be decided again.</p>

<p>We can only correct minor typographical mistakes in specific types of decisions on request. Information is given in our published document, Planning appeals: procedural guide.</p>

<h2 id="service-standards">Service standards</h2>

<p>Please read our Customer Charter for information about our service standards.</p>

<h2 id="how-we-use-your-information">How we use your information</h2>

<p>The Planning Inspectorate takes its data protection responsibilities for the information you provide us with very seriously. To find out more about how we use and manage your personal data, please go to our privacy notice.</p>

<h2 id="how-to-complain">How to complain</h2>

<p>Complaints should be made as soon as the reason becomes apparent. We will not answer complaints made more than one year after a decision or recommendation.</p>

<p>Complaints should be made in full at the start, providing as much detail as possible. You can send complaints to us using our contact form, by email or telephone.</p>

<p>Customer contact form</p>

<p>Email: feedback@planninginspectorate.gov.uk</p>

<p>Telephone: 0303 444 5884</p>

<h2 id="before-making-a-complaint">Before making a complaint</h2>

<p>Contact the relevant support staff at the Planning Inspectorate for any questions or concerns you have about a case that has not yet concluded. Most issues can be answered by the support staff responsible for administering the case. If you are unsure about who to contact, please ask our customer team on 0303 444 5000.</p>

<p>The Programme Officer should be contacted for any questions or concerns you have about an examination of a Local Plan that has not yet concluded. Contact details can be found on the relevant Local Planning Authority's website for the examination.</p>

<h2 id="stages-of-the-complaints-procedure">Stages of the complaints procedure</h2>

<h3 id="stage-1">Stage 1</h3>

<p>The Customer Team will answer any unresolved issues, concerns about staff conduct or any complaint made after a decision or recommendation.</p>

<p>As part of investigating complaints, Customer Team Officers may check facts against relevant guidance or case documentation. Inspectors or support staff may be asked for their comments. In a few cases, parties outside our organisation (such as a Local Authority) may also be contacted for their general observations on what occurred.</p>

<p>Complaints may also be referred to a senior manager with specialist casework knowledge for review, to help the Customer Team reach an independent view on whether to uphold the complaint or not. However, the reply will come from the Customer Team Officer.</p>

<h3 id="stage-2">Stage 2</h3>

<p>If a complainant considers that the reply from the Customer Team Officer has not adequately responded to their concerns, a Customer Team Manager will review the complaint and how it was handled and provide a final reply.</p>

<h2 id="remedy-and-redress">Remedy and redress</h2>

<p>For any acknowledged errors, we will write to the complainant explaining what has happened. The responsible staff and their line manager will be informed of the outcome as part of performance management. We will also look to see if lessons can be learned to prevent similar mistakes from happening again.</p>

<p>Where we uphold complaints, our remedies include:</p>

- an apology, explanation and acknowledgement of responsibility
 - remedial action, such as reviewing or changing our service standards; revising published material; revising procedures or guidance; training or supervising staff; or any combination of these.
-

<p>In most cases, an explanation and an apology will be an appropriate response.</p>

<p>In exceptional circumstances, we may provide compensation for additional costs incurred as a direct result of an acknowledged error by us, where valid claims are made. Financial compensation is a final option and will only apply in cases where the loss or suffering is considered to warrant such a payment. Information is given in our published document, Planning Inspectorate: claims for repayment of additional costs (ex gratia scheme)</p>

<h2 id="review-by-the-parliamentary-and-health-service-ombudsman">Review by the Parliamentary and Health Service Ombudsman</h2>

<p>If you remain unhappy, you can ask your Member of Parliament to take your complaint to the independent Parliamentary and Health Service Ombudsman (PHSO) to review the handling of your complaint. The PHSO can be contacted at:</p>

Planning Inspectorate treats all complaints seriously. Our aim is to provide a clear and full response, first time.

[What our complaints procedure covers](#)

The standard of service we provide

The conduct of our staff

Any action or lack of action by staff affecting an individual or group

Circumstances where you think our staff have not properly followed Government planning policy or guidance, relevant legislation and our procedural guidance.

[What our complaints procedure does not cover](#)

What our complaints procedure does not cover

Reconsidering the merits of a case, the decisions or recommendations of Inspectors or Examining Authorities or the evidence taken into account

Adding to decisions or recommendations

The actions of Councils, Government departments or other parties

Government policy

Complaint matters that have already been fully answered by us

Decisions by Inspectors (or decisions based on the recommendations of Inspectors) are final unless successfully challenged in the High Court on a point of law. Only the Courts can legally review decisions or recommendations by Inspectors and identify an error in law.

The Planning Inspectorate can only reconsider a case if the High Court decides to cancel the decision and returns the case to the Planning Inspectorate for it to be decided again.

We can only correct minor typographical mistakes in specific types of decisions on request. Information is given in our published document, [Planning appeals: procedural guide](#)

[Service standards](#)

Please read our Customer Charter for information about our service standards.

[How we use your information](#)

The Planning Inspectorate takes its data protection responsibilities for the information you provide us with very seriously. To find out more about how we use and manage your personal data, please go to our [privacy notice](#)

[How to complain](#)

Complaints should be made as soon as the reason becomes apparent. We will not answer complaints made more than one year after a decision or recommendation.

Complaints should be made in full at the start, providing as much detail as possible. You can send complaints to us using our contact form, by email or telephone.

Welcome to National Infrastructure Planning

Here you can find out about proposed Nationally Significant Infrastructure Projects (NSIPs) within England and Wales.

This site is managed by the Planning Inspectorate, the government agency responsible for examining applications for NSIPs.

How the application process works

The Planning Act 2008 process was introduced to streamline the decision-making process for major infrastructure projects, making it fairer and faster for communities and applicants alike.

Nationally Significant Infrastructure Projects regime: operational review

Minister of State for Housing Christopher Pincher MP launched an operational review of the NSIP regime as part of a speech at the National Infrastructure Planning Association (NIPA) summer conference on 7 July 2021.

<p>The operational review forms part of the National Infrastructure Planning Reform Programme. In advance of his speech, Minister Pincher wrote a letter to NIPA members introducing the reform programme and setting out how important it will be for all those who use or interact with the NSIP regime to work together to make the operational review a success.</p>

<p>See the Annex to the Minister's letter for further details of the National Infrastructure Planning Reform Programme and a road map of reforms.</p>

Mean Average - The total time taken divided by the number of cases. Also referred to as the 'average'. A measure of how long each case would take, if the total time taken was spread evenly across all cases.

Median - The middle value, if the times are sorted. This means that half the cases take less than this time; and half the cases take more.

Decisions - number of decisions made.

Please note that the times given here are measured from the time an appeal which we are able to progress ('valid') to the time a decision is issued.

The smaller the number of decisions, the less helpful the mean and median are as measures for summarising performance. Particular care should be taken when there are fewer than twenty decisions. These are represented with an * in the table, but have been provided for completeness and transparency.

Each of the measures give a slightly different view of the average time taken to make a decision, both are provided because neither gives a perfect indication of the average. The mean is potentially affected by a small number of cases taking a long time - and this gives an over-estimate. The median is less affected by these few longer cases so may give a more helpful indication of the average.

The mean was published previously so we are publishing it to allow users to compare current with previous data.

In making use of the data provided, users are reminded that some decisions made in the latest month were on cases submitted a years or more before - as

such, while they are the most recent snapshot available, they should not be relied on to give a reliable indication of what will happen to a case submitted recently or in the future.

We are reviewing our published information in order to make it more useful and accessible to users – please get in touch with us at statistics@planninginspectorate.gov.uk if you have suggestions on how we could improve the information we provide to you.

Mean Average - The total time taken divided by the number of cases. Also referred to as the 'average'. A measure of how long each case would take, if the total time taken was spread evenly across all cases.

Median - The middle value, if the times are sorted. This means that half the cases take less than this time; and half the cases take more.

Decisions - number of decisions made.

Please note that the times given here are measured from the time an appeal which we are able to progress ('valid') to the time a decision is issued.

The smaller the number of decisions, the less helpful the mean and median are as measures for summarising performance. Particular care should be taken when there are fewer than twenty decisions. These are represented with an * in the table, but have been provided for completeness and transparency.

Each of the measures give a slightly different view of the average time taken to make a decision, both are provided because neither gives a perfect indication of the average. The mean is potentially affected by a small number of cases taking a long time - and this gives an over-estimate. The median is less affected by these few longer cases so may give a more helpful indication of the average.

The mean was published previously so we are publishing it to allow users to compare current with previous data.

In making use of the data provided, users are reminded that some decisions made in the latest month were on cases submitted a years or more before - as such, while they are the most recent snapshot available, they should not be relied on to give a reliable indication of what will happen to a case submitted recently or in the future.

We are reviewing our published information in order to make it more useful and accessible to users - please get in touch with us at statistics@planninginspectorate.gov.uk if you have suggestions on how we could improve the information we provide to you.

enforcement notice takes effect.

When you can expect a decision

You'll get a decision once your appeal is validated.

[Check how long planning appeal decisions normally take](/guidance/appeals-average-timescales-for-arranging-inquiries-and-hearings).

How to appeal

<https://www.gov.uk/appeal-enforcement-notice/how-to-appeal>

Make your appeal to the Planning Inspectorate.

If you want to appeal more than one enforcement notice you must make a separate appeal for each. Each person should appeal separately.

You also need to send a copy of your appeal, including all the supporting documents, to your [local planning authority](/planning-permission-england-wales/). The Planning Inspectorate will tell you how to do this.

Documents you must provide

You'll need to submit:

- a copy of your enforcement notice
- a plan (if there is one)
- any other documents that directly support your appeal, for example your grounds for appeal
- your appeal, if you're appealing by post

You can upload these documents when you appeal online or post them to the Planning Inspectorate.

Comment on an appeal

<https://www.gov.uk/appeal-enforcement-notice/comment-on-an-appeal>

Anyone can comment on an enforcement notice appeal. [Find the case](/appeal-planning-inspectorate) on the appeals casework portal.

The deadline for comments is 6 weeks after the start date of the appeal.

Read the detailed guidance about [taking part in an appeal](/government/collections/taking-part-in-a-planning-listed-building-or-enforcement-appeal).

    made by the Ministry of Defence recognises employers who have actively
    demonstrated their support for the Armed Forces community through
    implementing practical policies in the workplace.</p>
```

```
    <p>Under the Defence Employer Recognition Scheme, employers support
    Defence personnel and encourage others to do the same. The scheme has three
    levels, Bronze, Silver and Gold for organisations that pledge, demonstrate or
    advocate support for Defence and the Armed Forces community. To achieve
    Gold, organisations must proactively demonstrate that the Armed Forces
    community are not unfairly disadvantaged as part of their recruitment policies.
    They must also actively ensure their workforce is aware of their positive policies
    towards Defence people issues for veterans, Reserves, Cadet Force Adult
    Volunteers, and spouses and partners of those serving in the Armed Forces.</p>

<p>We would like to keep in touch with you, by post, email, phone, social media or online, about our products, services and offers that might interest you. You can choose whether you want to receive these communications and can opt out at any time. </p>

<p>We have a legitimate interest in promoting our products and services, but if you ask us not to send you marketing communications, we won't send them. In particular, when we collect contact information that we would like to use to send you marketing, we will give you the opportunity, at that time, to tell us not to send it.

 </p>

<h3>Making sure our marketing messages are relevant to you </h3>

<p>We want to make sure the information we send you about our products and services is relevant to you. To do this, we may use your personal data to help us understand your interests better. We may also use details of your computer, laptop, smartphone or tablet (including its IP address) to check you are linked to the right web page after clicking on one of our online adverts. If you visit our websites, we may also use cookies to tell us which marketing to send you. Please see section 11 below for information about cookies.</p>

<p>These approaches help us to make our communications more relevant and interesting for you. Looking at the web pages you've visited and the things you've bought helps us to understand you as a customer better and allows us to provide personalised services, content, communications and online advertising. We may also measure how you respond to our marketing communications to help us understand how effective they are and offer you products and services that better meet your needs. </p>

<p>If you don't want us to personalise our marketing messages to you in this way, you can opt out of personalisation. If you do this, we will not send you any more marketing communications. Please see section 11 below to find out more about how you can control whether we use cookies in marketing to you.</p>

<h4>Tracking technology</h4>

<p>We use industry-standard technology to monitor your engagement with marketing emails and send emails automatically, so that we can send you relevant emails at the right time. We use 'tracking pixels' to recognise when you have opened an email that we sent to you. If you don't want us to use tracking pixels, you can use your email settings so that images are not automatically displayed.

 </p>

<h3>Changing your marketing preferences</h3>

<p class="MsoNormal">You can change your marketing preferences at any time. You can do this: </p>

·
online

·
over the phone

·
using the 'unsubscribe' link in our marketing emails

·
by replying STOP to our marketing text messages

·
through our apps, or

·
by writing to us at any time.

If you say you do not want to receive marketing information from us, this will prevent you from receiving offers or hearing about other products which may be of interest to you.

If you have registered through our royalmail.com website, you can change your marketing preferences online at any time through the 'My Account' section of the website at <https://www.royalmail.com/user/login>.

Parcelforce Worldwide account customers can change their preferences through the 'My Profile' section of the Parcelforce Worldwide website at <https://www.parcelforce.com/user/login>

You can also contact our <mailto:information.rights@royalmail.com>) Information Rights and Governance team to ask us to stop sending marketing emails, letters or other forms of direct marketing.

Service information

We may need to send you communications about the service you are using. For example, we send our customers order confirmations, delivery updates, invoices and notice of changes to our terms or prices.
If you choose to opt out of marketing, we may still need to send you this kind of information.

Communication preferences

If you choose to turn off app notifications on your phone, you may still receive notifications and other service messages from us in other ways (for example, by text message, email or letter).

Market research

We like to hear your views as this can help us to improve our products and services. So, from time to time we may contact you to carry out market research or a survey, or ask a market research organisation working for us to do so. You always have the choice about whether to take part in our market research.

safety. These organisations include the police, law enforcement agencies and fraud-prevention agencies. This may include telling other organisations about addresses we will not deliver to or collect from.

If you use our Redirection service, unless you ask us not to, we may sometimes sell information about you to help organisations update their contact details, or so specific types of organisation can send you offers that people moving home may be interested in. You will find more details, including information on how you can choose for us not to sell your information, in the terms and conditions for our Redirection service.

Postal authorities and overseas carriers

We will share your personal data with overseas postal authorities and carriers. If you are sending a letter or parcel overseas or receiving an item from overseas, we will provide the information required for customs and tax purposes or for security screening. This information will normally include:

- the sender's name and address
- the name and address of the person receiving the item, and
- details of the item's contents.

Information required by law or regulation

If required by any law or regulation, we may share your personal data with regulators such as the Information Commissioner.
